

2008 Sponsors

Banana Boat® Sun Care is pleased to sponsor CAMPLING® in Ontario, by providing the participating day camps with sun protection products for all campers throughout the summer. Banana Boat Kids Dri-Block SPF 30 is the first formula strong enough to protect your child from harmful UVA & UVB rays while remaining mild to kids' skin and eyes. And it's Pediatrician tested. Why use anything else?

What's hot this summer! Walt Disney Studios Home Entertainment will make your kid's summer rock – with the upcoming DVD releases of "Camp Rock", "Hannah Montana Best of Both Worlds 3-D Concert", "Wizards of Waverly Place Volume 1", and "Phineas and Ferb Volume 1". Look for surprises in your child's knapsack throughout the season.

Crayola® is proud to be a CAMPLING® donor.

Sun-Rype is proud to be a CAMPLING® donor.
